Payroll

It's about time workforce management was made easy.

has partnered with Heartland to help your business with an extensive, flexible suite of solutions, tailored to meet your needs. Whether you're looking for an easier way to pay employees or maintain compliance, Heartland is here to help.

Single Point of Contact

For the best care, clients have a personal service representative who will serve as your point person for all service-related needs. When you purchase Payroll with Heartland HR and HR on demand, you'll have access to HR professionals who are available for guidance on HR issues, state-specific and industry-related labor law questions/needs and customizable documents.

Flexibility

Our web-based payroll service is customized to accommodate your specific needs, whether it's processing employee payroll, time and attendance, workers' compensation or integrating your 401(k). This complete workforce management solution supports you now and will grow with your business.

Competitive Pricing

We want you to be able to focus on revenue-generating areas of your business rather than monitoring your payroll invoices. We provide clear, straightforward payroll pricing for our all-inclusive service without hidden fees or surprises.

Pre-Employment Solutions

Our applicant tracking system allows you to post jobs, collect applications, schedule and conduct interviews, and track and identify your top candidates.

New employees can be screened to determine eligibility for Work Opportunity Tax Credits and are flagged, allowing you to elect to have credits certified and processed.

Human Resource Tools

New regulations, garnishments, court orders and state-by-state complexities can put your business at risk. Get a full range of Human Resource services to support your business and at-the-ready employee resources and tools to help you resolve issues with the addition of Heartland HR.
